Notes to the Financial Statements
September 30, 2010

1. Organization

World Federalist Association, d.b.a. Citizens for Global Solutions Education Fund (the "Organization") was founded in 1947 and incorporated as a non-profit organization in the District of Columbia in 1968. The purpose of the Organization is to promote a future in which nations work together to abolish war, to protect our rights and freedoms, and to find solutions to problems facing humanity that no nation can achieve alone.

2. Summary of Significant Accounting Policies

Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with U.S. generally accepted accounting principles. Net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Organization and changes therein are classified and reported as follows:

Unrestricted Net Assets - Net assets that are not subject to donor-imposed stipulations.

Temporarily Restricted Net Assets - Net assets subject to donor-imposed stipulations that may or will be met, either by actions of the Organization and/or the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Permanently Restricted Net Assets - Net assets subject to donor-imposed stipulations that they be maintained permanently by the Organization. Generally, the donors of these assets permit the Organization to use all or part of the income earned on any related investments for general or specific purposes.

Investments

Investments in marketable securities with readily determinable fair values and all investments in debt securities are reported at their fair value. Other investments are stated at the estimated fair value. Realized and unrealized gains and losses are included in the change in net assets.

2. Summary of Significant Accounting Policies (Continued)

Contributions

Contributions are reported in accordance with SFAS No. 116, *Accounting for Contributions Received and Contributions Made*. Contributions are recognized when the donor makes a pledge to give that is, in substance, an unconditional promise. Contributions are recorded as unrestricted, temporarily restricted, or permanently restricted depending on the nature of donor restrictions. Restricted contributions are reported as increases in restricted net assets. When the restrictions are met the amount is shown as a reclassification of restricted net assets to unrestricted net assets. If a donor's restriction is met in the same period that the revenue is recognized, the contribution is reported as an increase in unrestricted net assets. Restrictions on gift of land, building, or equipment or contributions restricted for the purchase of those assets expire when the asset is placed in service, unless otherwise stipulated by the donor.

Concentration of Credit Risk

Cash

The Organization maintains cash deposits at various institutions which are covered under the Federal Deposit Insurance Corporation (FDIC) for balances up to \$250,000. Management monitors cash balances on a regular basis to maximize the FDIC insurance coverage available to the Organization. As of September 30, 2010, the Organization had no cash balances in excess of the maximum FDIC coverage.

Use of Estimates

The Organization uses estimates and assumptions in preparing financial statements in accordance with U.S. generally accepted accounting principles. Those estimates and assumptions affect the reported amounts of assets and liabilities, and the reported amounts of revenues and expenses. Actual results could vary from estimates made by management.

Fixed Assets

Fixed asset additions exceeding \$1,000 are carried at cost. Depreciation of fixed assets is provided using the straight-line method over the estimated useful lives of the assets ranging from 5 to 7 years. Depreciation expense for the year ended September 30, 2010 was \$4,477.

The Organization is a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code; therefore, no provision for Federal income taxes has been made to the accompanying financial statements.

Functional Allocations of Expenses

The costs of providing the various programs and activities have been summarized on a functional basis in the accompanying supplementary schedule of program services, administrative and general, and fundraising expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefitted.
