Notes to the Financial Statements
September 30, 2007

1. Organization

Citizens for Global Solutions, Inc. (the "Corporation"), formerly Campaign for UN Reform, Inc., was founded in 1983 and incorporated as a non-profit organization in the State of New Jersey. The Corporation is a grassroots membership organization whose purpose is to promote a future in which nations work together to abolish war, to protect our rights and freedoms, and to find solutions to problems facing humanity that no nation can achieve alone.

The Corporation's political action committee, Global Solutions PAC, works to elect federal candidates who support building effective democratic global institutions that will apply the rule of law while respecting the diversity and autonomy of national and local communities. Global Solutions PAC raises funds for candidates who share these goals, who are engaged in competitive races, who champion the Corporation's policy goals on the Hill, and who lead important committees in Congress. It is not affiliated with any political party and only accepts contributions from the Corporation's members.

Membership dues are not mandatory, and therefore recognized as revenue when received. However, membership dues are required to be paid in order to participate in Global Solutions PAC.

2. Summary of Significant Accounting Policies

Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with U.S. generally accepted accounting principles. Net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Corporation and changes therein are classified and reported as follows:

Unrestricted Net Assets - Net assets that are not subject to donor-imposed stipulations.

Temporarily Restricted Net Assets - Net assets subject to donor-imposed stipulations that may or will be met, either by actions of the Corporation and/or the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

2. Summary of Significant Accounting Policies (Continued)

Permanently Restricted Net Assets - Net assets subject to donor-imposed stipulations that they be maintained permanently by the Corporation. Generally, the donors of these assets permit the Corporation to use all or part of the income earned on any related investments for general or specific purposes.

Cash and Cash Equivalents

The Corporation considers all cash and short term investments with original maturities of three months or less to be cash and cash equivalents. Cash and cash equivalents are stated at cost which approximates the market value.

Contributions

Contributions are reported in accordance with SFAS No. 116, *Accounting for Contributions Received and Contributions Made*. Contributions are recognized when the donor makes a pledge to give that is, in substance, an unconditional promise. Contributions are recorded as unrestricted, temporarily restricted, or permanently restricted depending on the nature of donor restrictions. Restricted contributions are reported as increases in restricted net assets. When the restrictions are met the amount is shown as a reclassification of restricted net assets to unrestricted net assets. If a donor's restriction is met in the same period that the revenue is recognized, the contribution is reported as an increase in unrestricted net assets. Restrictions on gift of land, building, or equipment or contributions restricted for the purchase of those assets expire when the asset is placed in service, unless otherwise stipulated by the donor.

Concentration of Credit Risk

Cash

The Corporation periodically maintains cash in excess of federal insurable amount at institutions which are covered under the Federal Deposit Insurance Corporation (FDIC). Management monitors cash balances on a regular basis to maximize the FDIC insurance coverage available to the Corporation. As of September 30, 2007, the Corporation had no cash balances in excess of the maximum FDIC coverage.

2. Summary of Significant Accounting Policies (Continued)

Fixed Assets

Fixed asset additions exceeding \$1,000 are carried at cost. Depreciation of fixed assets is provided using the straight-line method over the estimated useful lives of the assets.

Depreciation expense for the year ended September 30, 2007 was \$132.

Income Taxes

The companies are tax-exempt organizations under Section 501(c)(4) of the Internal Revenue Code; therefore, no provision for Federal income taxes has been made to the accompanying financial statements.

The Corporation uses estimates and assumptions in preparing financial statements in accordance with U.S. generally accepted accounting principles. Those estimates and assumptions affect the reported amounts of assets and liabilities, and the reported amounts of revenues and expenses. Actual results could vary from estimates made by management.

Functional Allocations of Expenses

The costs of providing the various programs and activities have been summarized on a functional basis in the accompanying supplementary schedule of program services, administrative and general, and fundraising expenses.
