CITIZENS FOR GLOBAL SOLUTIONS, INC.
Notes to the Financial Statements
September 30, 2011

1. Organization

Citizens for Global Solutions, Inc. (the "Corporation"), formerly Campaign for UN Reform, Inc., was founded in 1983 and incorporated as a non-profit organization in the State of New Jersey. The Corporation is a grassroots membership organization whose purpose is to promote a future in which nations work together to abolish war, to protect our rights and freedoms, and to find solutions to problems facing humanity that no nation can achieve alone.

The Corporation's political action committee, Global Solutions PAC, works to elect federal candidates who support building effective democratic global institutions that will apply the rule of law while respecting the diversity and autonomy of national and local communities. Global Solutions PAC raises funds for candidates who share these goals, who are engaged in competitive races, who champion the Corporation's policy goals on the Hill, and who lead important committees in Congress. Global Solutions PAC is not affiliated with any political party and only accepts contributions from the Corporation's members.

Membership dues are not mandatory, and are included as part of individual contributions and recognized as revenue when received. However, only members who have paid dues are treated as members for purposes of the Global Solutions PAC.

2. Summary of Significant Accounting Policies

Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with U.S. generally accepted accounting principles. Net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Corporation and changes therein are classified and reported as follows:

Unrestricted Net Assets - Net assets that are not subject to donor-imposed stipulations.

2. Summary of Significant Accounting Policies (Continued)

Basis of Presentation (Continued)

Temporarily Restricted Net Assets - Net assets subject to donor-imposed stipulations that may or will be met, either by actions of the Corporation and/or the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Permanently Restricted Net Assets - Net assets subject to donor-imposed stipulations that they be maintained permanently by the Corporation. Generally, the donors of these assets permit the Corporation to use all or part of the income earned on any related investments for general or specific purposes.

Cash and Cash Equivalents

The Corporation considers all cash and short-term investments with original maturities of three months or less to be cash and cash equivalents. Cash and cash equivalents are stated at cost which approximates the market value.

Contributions

Contributions are recognized when the donor makes a pledge to give that is, in substance, an unconditional promise. Contributions are recorded as unrestricted, temporarily restricted, or permanently restricted depending on the nature of donor restrictions. Restricted contributions are reported as increases in restricted net assets. When the restrictions are met the amount is shown as a reclassification of restricted net assets to unrestricted net assets. If a donor's restriction is met in the same period that the revenue is recognized, the contribution is reported as an increase in unrestricted net assets. Restrictions on gift of land, building, or equipment or contributions restricted for the purchase of those assets expire when the asset is placed in service, unless otherwise stipulated by the donor.
